

STAIN REMOVER

HIGHLY EFFICIENT, CONCENTRATED STAIN REMOVER SPRAY

TECHNICAL SPECIFICATIONS

Colour:	Transparent
pH-value approx.:	10,7

STORAGE CONDITIONS

Keep in a dark, cool place, in an upright position, during storage or transportation.

PRODUCT DESCRIPTION

Stain Remover is a highly efficient, concentrated spray for easy removal of (stubborn) stains.

FIELD OF APPLICATION

Suitable for textiles and upholstery, such as carpets, furniture coverings and car upholstery. Stubborn stains including red wine, coffee, chocolate and shoe polish.

PROPERTIES

- Extremely effective: removes the most stubborn spots and stains
- Rapid results: allow it to work in for just a few seconds
- Does not contain solvents

PREPARATION

Surface Requirements: Do not use on metals or leather, or oriental carpets and fabrics unsuitable for wet cleaning.

APPLICATION

Directions for use:

Remove as much of the material as possible. Rotate the spray head a quarter turn to ON. Spray undiluted onto the surface to be cleaned and allow it to work in for a few seconds. Always work from the outsides to the centre of the stain. Remove with a clean, absorbent cloth. Rinse with hot water. Rotate the spray head to OFF after use.

Points of attention: Before starting it is recommended to test the product on a small, unseen area.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
